

Fly the Corn Belt With Us!

Summer Work Available!

Townsend Aviation is looking for professional pilots to spend time working the corn belt in White and Surrounding Counties.

If you have a 400 to 800 gallon turbine powered aircraft with a GPS system, you are welcome to apply.

Our Corn Fungicide Program lasts for 30 days starting on July 1st and ending August 1st. Contact us today for information about the 2012 season.

Townsend Aviation will provide you with:

- All Aircraft Fuel
- Loading Services
- GPS Mapping Files

You will also be provided with lodging in Indiana's finest entertainment areas. Monticello, Indiana, home of Townsend Aviation.

Call us at 574-583-9900 or [click here](#) to send us an eMail. Please include within your eMail the type of aircraft you own.
